

JUNIATA VALLEY COUNCIL

BOY SCOUTS OF AMERICA.

2016 First Aid Meet

Alpha Phi Omega – Alpha Beta Chapter at Penn State will host its annual Council-wide First Aid Meet for Boy Scouts and Venture Crews on Saturday, April 2, 2016 at the Seven Mountains Scout Camp Dining Hall.

We appreciate the Chapter running this event as part of their service to Scouting.

Check-in for the event will open at 8:30 am with opening ceremonies and first aid scenario competition beginning promptly at 9:00 am and ending around noon.

This event will feature a Jurassic Park themed Patrol competition with first aid scenarios that are based on Boy Scout first aid protocols as found in the Boy Scout Handbook and First Aid merit badge book. Team plaques will be awarded to the top 3 patrols. Student leaders from Penn State's chapter of Alpha Phi Omega are providing volunteer leadership for the event.

PRE-REGISTRATION AND COST: Please plan to pre-register for this event by completing the attached pre-registration form and returning it to the Council office before April 1, 2016. This event will be limited to a maximum of 21 Patrols. The cost is \$10.00 for each Scout Patrol to participate.

EQUIPMENT: Troops and Venture Crews should bring first aid supplies to this competition so the Scouts will be able to 'mock' apply bandages, slings and make emergency stretchers. Each unit should also bring a heavy blanket. Scouts may wish to bring their lunch to the event to eat before departure.

DRESS: Competition will occur indoors in the dining hall facility. Scouts will be expected to be dressed in Boy Scout uniforms.

MORE INFORMATION: Contact the Council Service Center
