5. The JVC has the right to terminate Organization’s use of JVC premises if, in the sole discretion of JVC, such use would interfere with operation of the JVC, or if the event cannot be held by reason of fire, flood, acts of God, strikes, labor disturbances, or other events beyond the control of the JVC. The Organization agrees to release, hold harmless and defend the JVC from any costs, including legal fees, due to the JVC’s termination of Organization’s use of JVC premises.

## COVID-19 ADDENDUM TO SPECIAL EVENT FACILITY RENTAL AGREEMENT FOR SEVEN MOUNTAINS SCOUT CAMP

This Addendum is hereby incorporated into the executed Agreement, in Section 8, “Other Conditions.” Although the Organization is responsible for determining its own activities and operations while using the facilities, this document is designed to guide Organizations using JVC Camp Seven Mountains as to activities. Activities in contravention to this guidance, or the regulations and guidance issued from time to time by the Commonwealth of Pennsylvania’s Office of the Governor, Department of Health, Emergency Management Agency, and the U.S. Centers for Disease Control & Prevention, are PROHIBITED. For any questions about this document, please contact the JVC Service Center.

Fundamental principles relative to COVID-19 risks:

1. Follow all appropriate rules from the Governor as to allowed activities in the current “stage” (red, yellow, green) for Centre County.
2. Follow the guidance of the Commonwealth and CDC as to activity restrictions (group size, etc.) and risk mitigation techniques.
3. Communicate, in detail, your plans to your participants, including the proposed activities, timelines, and accelerated sanitizing and distancing measures to be taken.
4. At the start of an activity (or day of multiple activities), take - and document - the temperature of every participant, and question each participant to ensure that they feel well and are not experiencing any symptoms; if an individual feels unwell, exhibits any symptoms, or his/her temperature exceeds 100 degrees F (37.8C), they must go home and not attend the activity.
5. Face coverings must be worn by all participants over age 2 throughout the activity or day; strenuous physical activity (running, heavy exercise) is strongly discouraged. Hiking, biking, boating and swimming in a guarded area are acceptable activities.
6. Support healthy hygiene – use soap and paper towels where water is available; provide hand sanitizer and require its use.
7. All participants should follow the “six-foot distance” rules.
8. For meals/snacks during the activities, individually bagged meals should be provided, along with disposable plates, cups, napkins, etc. For a cooked meal, one designated person should serve the common food items instead of allowing each participant to handle the serving utensils.
9. If a participant becomes ill or injured in any way during the activity, the individual should be physically distanced from others, and transportation home (if no ambulance is required) must be provided by a family member.
10. Incident Reporting – all incidents during the Organization’s use of JVC facilities must be reported to the Scout Executive.
