Seven Mountains Scout Camp, Outdoor Education & Conference Center

Seven Mountains Scout Camp offers a unique blend of modern conveniences in a rustic setting.

Located midway between State College and Lewistown, just off US 322 on Seven Mountains, this 230-acre facility is adjacent to state land including Poe Valley State Park and the Mid State Trail.

Each summer more than 1,000 young Scouts converge on Seven Mountains for 7 weeks of summer camping. Each January, this number is equaled for our Annual Scout Klondike Derby.

This facility is available 7 days a week, 52 weeks a year to Scouting and non-Scouting groups. Churches, schools, non-profits, and business groups have used it for conferences, outdoor/environmental classrooms, retreats and more.

Photos and more information are also available at www.jvcbsa.org. For more information, including event specific pricing, contact the Juniata Valley Council Service Center.
