Absolutely! It is great for Scouts to attend camp with their Troop or Crew, but sometimes sports, extracurricular activities and vacations make that difficult. We also understand that Units attend High Adventure Base Camps and Out of Council summer camp programs but not all Scouts can make it; and sometimes Scouts enjoy Summer Camp so much that they are interested in attending a second week.

If any of these pertain to you, Scouts can make arrangements to come to Seven Mountains Scout Camp as a **Provisional Scout** and stay with another Troop for the week of summer camp. Scouts should contact local Troops or Crews they have connections with to discuss camping with them, however if needed, you can also reach out to the Camp Director to help identify another Troop to connect up with.

*Scouts interested in attending camp as a Provisional Scout should contact us at [info@jvcbbsa.org](mailto:info@jvcbbsa.org) for additional registration details.*

## Additional Notes:

- ALL Adults attending must have Criminal Background Checks/Clearances as required by PA ACT 15 on file with Juniata Valley Council, BSA
- Two (2) Adult Leaders from each Troop / Crew are required for each sessions that Scouts are attending
- Additional meal tickets can be purchased at the Camp Trading Post for \$10.00 per meal
- Unit Leaders will setup an online Group Reservation through the JVC Calendar to register individual Scouts
  - Individual Scouts: please contact your Scoutmaster or designated Summer Camp Unit Leader first as they will coordinate individual registrations and payments for their respective Units
- If preferred, online credit card payments can be processed once the initial Group Reservation is started

### Scouts with Special Needs are Welcome

Seven Mountains Scout Camp is inclusive for any special need Scouts to be successful in their camp experiences. It all begins when families coordinate with Troop and Pack leadership as to the details of the special needs of the Scout, and ensure that predictable reactions to a new environment are anticipated on behalf of that Scout. Unit leadership will make the camp staff aware of these needs as appropriate and unit leadership and staff will mindfully and discretely monitor the activities and demeanor of the Scout to enable success.

The mission of BSA is to prepare young people to make ethical and moral choices over their lifetimes by instilling the values of the Scout Law and Scout Oath. Camperships are one of the many avenues that are used to reinforce the Scout Law by teaching the Scout to be thrifty with their time and finances.

The purpose of the JVC Campership Fund is to provide assistance to Scouts who otherwise may not be able to afford the cost of attending a summer camp program. These applications are confidential and are reviewed by a volunteer JVC Committee. Consideration is given to Scouts whose units participate in the annual Friends of Scouting campaign, Fall Popcorn Sales and whether the Scout participates in any supplemental fundraising opportunities such as the JVC Spring Sale to help him/her raise funds to attend camp. A typical campership may be up to fifty percent (50%) of the discounted camp fee. In exchange for the campership, the Scout may be asked to provide some service to the Council or Seven Mountains Scout Camp and to write a thank-you note to the contributor. The Campership Fund is available only to registered members of the Juniata Valley Council attending Seven Mountains Scout Camp.

**Please note, this form is due by May 1st. Notification of camperships will be sent by email unless unavailable.**
